Dear Frank:

I just want to let you know how pleased we are with our new company website produced by BCS Website Services. With the new design, photos, information, coupons and whistles and bells, our company has witnessed a dramatic increase in visitors to the site. Best of all, our sales leads have increased dramatically! We have never had as many leads as we are currently receiving!

Thank you for a job well done and here's to a successful 2010!

Best regards,

Al Augustine
